SECTORS AVAILABLE

TESTIMONIAL

"Joining Bloom of Youth internship program outstands myself from other candidates in job hunting. I have had graduate offer already. So overseas internship is definitely a MUST during university life!"

Yuki Wong
(Finance and HR Management)

"I interned in Hilton group in the Bloom of Youth internship program and I am offered a graduate job by my internship employer, and I took this amazing opportunity! I am going to start my full-time job in Bahrain, Middle East after I finished my internship. I have always wanted to try to work overseas. This internship gives me this valuable opportunity that I did not imagine before."

Vincent Lau
(Marketing)

"I got to experience the culture deeply. Before my internship, I had exchange in Rome. But the experience is completely different. I can interact not only just youngers at my age, but also people from all walks of life and taste the working culture. It is amazing!"

Karen Tsang
(Law)

"The program gave me a priceless opportunity to engage myself in a professional capacity and international setting. My skills are sharpened and I am more prepared for real work life. Especially an overseas internship provides a global insight and precious references. I highly recommend!"

Sarah Kwok
(Marketing and HR Management)

"My English improves in a native English environment. I learn more of the accent, local phrases, different speaking and writing styles as a local. This experience could not be replaced by a local internship."

Amman To
(English)

Through the internship, I get to know people from around the globe. Tutors and students are from Brazil, Russia, Kazakhstan, UK, France and other European countries. Each of them has a unique story. I am inspired and intrigued by their stories!

Kunal Narwani
(Education)

"I used to depend on my family a lot back in Hong Kong. After 6 weeks living in Spain, I learn how to take care of myself and grow more independent."

Lailah Khan
(Business Management)

"Although I did not know about fashion before the internship, this program gives me a valuable chance to get into the fashion industry and gives me incredible references for eco-fashion business."

Isabella
(Environmental Management and Technology)
