

Deloitte “Future Stars” Mentorship Program

Are you feeling unsure or overwhelmed about your future or career path? If you are seeking guidance in planning your future or preparing yourself for your future work, our program is here to support you!

By enrolling in this program, you will have the opportunity to connect with professionals from Deloitte in a one-on-one conversation. During this hour-long session, you can explore a wide range of topics including career skills development, future planning, gaining insights into the workplace, and much more.

Program details
